

TRANSPORTATION

RISK MANAGEMENT CENTER

The most common claims in the transportation industry are caused by distracted driving, driver fatigue, and improper following distances, turning, and lane changes. Acadia Insurance understands that, as a business owner, you wear multiple hats and time management is essential. Acadia has a number of resources available to help you save time and assist in employee safety trainings that may help prevent claims such as those listed above. The Risk Management Center (RMC) provides resources in the form of online trainings, videos, safety policies and more for no additional cost to Acadia Insurance policyholders.

Topics Available Include:

- Aggressive Driving
- Alcohol & Drugs in the Workplace
- Cargo Securement
- Defensive Driving
- Distracted Driving
- DOT HAZMAT
- Driver Fatigue
- Driver Preparedness
- Intersections, Turns, & Lane Changes
- Loading Dock and Wheel Chock Safety
- Rollover Prevention
- Safety Belt Awareness
- Speed & Stopping Distances
- Trailer Coupling & Uncoupling
- Work Zone Safety
- ...And More!

In addition to the Risk Management Library, the RMC also comes with access to the HR & Benefits Library which consists of many resources for the policyholder's HR needs.
